Dear John,

Thank you so much for your patience.
The Councilmember will be able to attend but will be unable to stay for the entire reception.

Please provide me some additional details?

- 1) Will the Councilmember have a speaking role?
- 2) Is there a program for the reception?
- 3) Is there parking reserved for the Councilmember?

Please let me know. Thank you so much!

John,

It's still unclear but we are trying to make sure he can stop by. Yena is out scheduler and will follow up.
